Addiction Referral & Assistance Program

"Peace, Be Still"

Clean**Life** is an assistance and referral program that offers resources and compassion to anyone with an addiction. We have a variety of support mechanisms in place which are intended provide guidance to addicts and open pathways away from addictive behaviors.

AGAPE's facilities are being used by several addiction counseling organizations to hold regular support group meetings. In addition, we offer contact referrals to local and national organizations with even more resources to inform, assist and educate addicted individuals. We provide the tools and counseling necessary to make choices that will change lifestyles.

Clean**Life** does not "enable" further addictive behavior. We hold individuals responsible for their choices, and provide another opportunity for a fresh start. Addictions, no matter what the source, are detrimental to families & communities.

Our goal is to reach individuals and help them recover control of their own lives. If we can identify the fundamental root problems which lead to the addictions, we can alter destructive behaviors and hopefully, reform the addict.

Clean**Life** Offers:

- Compassion & Understanding Without Judgement
- Experience, Wisdom & Rehabilitation Information
- Contact With Support Groups Who Offer Counseling
- A Friend With a Lighted Pathway Out of Darkness

Please help us to reduce addiction in our area and support this ministry to families in our community.
