Household Repair and Assistance Program

"Love Thy Neighbor"

Fixer**Upper** is a good neighbor program that aides people who are in desperate need of some household repairs, but they're unable to perform the work without some help. We can help if an elderly widow needs her porch to be repaired, or if an individual becomes wheelchair bound and their home requires some adaptations. The Fixer**Upper** program will offer minor repairs to those in need in our area.

We encourage people who receive assistance from AGAPE to give back to the community in one way or another. Very often this leads to people becoming our volunteers who can offer their time and services to others. We recently helped an unemployed electrician who had fallen on hard times. AGAPE provided him with a donation of furniture. He was so touched that someone "simply cared" he has offered his services as needed.

Fixer**Upper** works with many other assistance agencies in our area to combine our resources and assist people as necessary to get them back on their feet as quickly as possible.

Fixer**Upper** Provides:

- Minor Home Repairs and Basic Maintenance
- Volunteers Who Visit and Listen to Those in Need
- Skilled Services That Do Not Require Contractors
- Weatherproofing and Seasonal Manpower Assistance
- Clean-Up Services to Remove Debris & Eyesores
- Financial Advice and Resource Referrals If Needed
- Information on Fuel, Energy and Utility Incentives
- Minor Automotive, Appliance and Mower Repairs

Help us to help your neighbors. If a little support can go a long way, imagine what your support can do.
