## Inmate Transition & Re-Assimilation Program

*"In My Father's House  
There Are Many Rooms"*

Help**Mates** is an AGAPE program dedicated to reducing the rate of recidivism in Columbia and Montour County prisons. By offering ministry assistance and information counseling to inmates, (both before and after their release), we believe we can provide help and hope to people at a critical crossroad of their life.

Without any assistance, many inmates feel they have little choice but to repeat their past mistakes, and go back to the same methods of survival they already know.

Help**Mates** provides prisoners with alternatives, opportunities, and more positive choices.

We Offer:

- Basic Clothing & Shelter Support and Assistance
- Drug & Addiction Program Counseling & Referrals
- Transportation to Employment Opportunities
- Relocation Help to Positive Family Support Groups
- Educational Information and GED Tutoring
- Critical Networking Contacts to Rehabilitation
- Opportunities to Volunteer and Serve Others
- A Chance to Become a Respected Citizen

We harbor no illusions that our Help**Mates** Program will rescue all those who go through the prison system. But if there is a chance we are able to save a life, introduce grace to a soul and prevent another potential crime from occurring in our community... shouldn't we at least try.

Please help us to reach out to people who need help. Your support today will change someone's life forever.

  
Love From Above To Our Community
