Housing & Displaced Shelter Assistance Program

*"I Shall Dwell
in the House
of the Lord"*

Road**Home** is a program which helps displaced people who are in need of housing, short-term shelter or recovery assistance after a disaster. For a variety of reasons good people can find themselves without a secure place to live. House fires, natural disasters, unemployment and estrangement from family members are just a few of the reasons people can suddenly find themselves homeless.

AGAPE provides services to relocate displaced people and help them find housing. We assist families and provide information referrals to get people back on the road to a secure home. AGAPE also provides basic need services when necessary, including refurbished furniture and appliances.

Road**Home** works with many other assistance agencies in our area to combine our resources and assist people as necessary to get them back on their feet as quickly as possible.

Road**Home** Provides:

- Long-Term & Short-Term Housing Referral Services
- Basic Needs Like Clothing, Furniture, & Appliances
- Transportation & Access to Available Resources
- Rental Advice, Assistance and Relocation Services
- Temporary Childcare, Counseling and Compassion
- Financial Advice and Budget Planning Services
- Foreclosure Counseling & Realistic Alternatives
- A Safe Harbor During a Time of Storm
